Dear Claude,

I am embarrassed not to be able to find the records of my trip to Jacksonville 4/10-11.

I have received a check for my expenses and want to pay you.

It is my recollection that the ticket was \$120.17.

I enclose a check in this amount. If it is not correct, please let me know.

There was a minor adventure on the way down. The time of the correct flight was correctly indicated on the ticket but an error of a single number in the flight number had me booked on an evening flight when I had an after-lunch appointment!

And the plane was sold out.

However, someone didn't show and I made it.

Many thanks for your usual courtesies and kindnesses.

Sincerely,
